

Explore the possibilities

With Lepage Millwork's Double and Single
Hung Windows

LEPAGE
MILLWORK

Discover our wide range of wood and aluminum-clad double hung windows. Explore the variety of unique shapes, sizes and configurations that strike a balance between functionality and design.

Lepage has one of the most comprehensive double-hung programs in the industry, offering a variety of balance systems, customization, hardware, and paint and stain finishes, in standard and non-standard options that few can match.
